

Transportation Carbon Emissions Report

Reporting Period:

1735934007338

Sector:

Transportation

Activities:

Vehicle Usage, Fuel Consumption

Geography:

Global

Project Components

Components	Input(kg)	Rate (tCO2e/Kg)	Total Emission
Vehicle Usage	300	0.5	150.00
Fuel Consumption	500	0.25	125.00

Project MileStone

Project MileStone	Status	Completion Date	Yes/No
Emission Data Collection	300	1735934007339	150.00
Emission Analysis	500	1735934007340	125.00

Summary

The total emissions calculated for the Transportation are 275.00 tCO2e. This includes 150.00 tCO2e from vehicle usage and 125.00 tCO2e from fuel consumption.
